

Notes 1: on spiritual Healing

BismillahirRahmaanirRaheem

It seems like a Jinn just completely left my chest

It was almost 5- 6 nights of excruciating pain, since I was punched in the chest in Belvoir ward.

It seems that I am surrounded by a lot of magicians and/ or evil people wa Allahu A'lam

N.B: I am currently in Bosworth Ward

Wa Allahu A'lam

Alhamdulillah wassalaatu wassalaam 'alaa Rasuulillah
